APRIL/MAY 2026

April has allowed us the chance to slow down and enjoy everything Sandton Central has to offer at a more relaxed pace. With a long weekend still ahead, our neighbourhood has everything you need right on your doorstep to treat yourself and your loved ones in style.

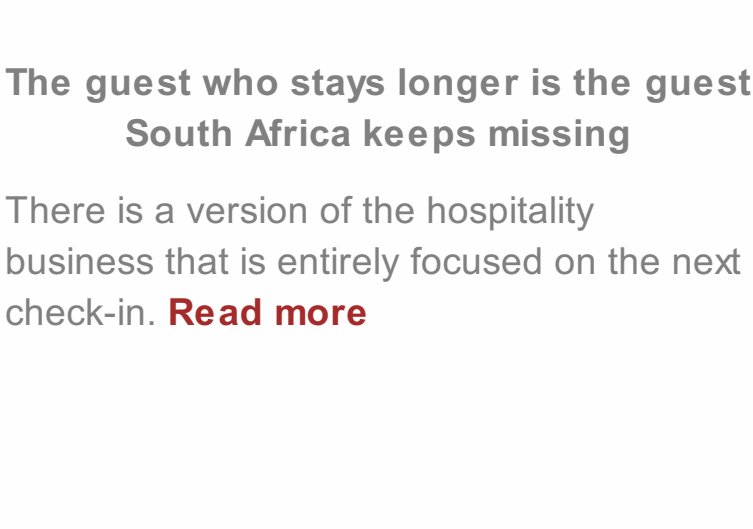

As the seasons begin to shift, there's still time to enjoy the outdoors in all the splendour of autumn. From leisurely lunches and coffee catch-ups to shopping, movies and open-air experiences, Sandton Central offers the perfect backdrop to unwind and reconnect.

Mother's Day is just around the corner and there's no time like the present to start planning something special. We're celebrating all the incredible moms who do so much for us every day with everything from gorgeous lunches to relaxing stayovers – find all the details on our events page.

Do you have a story everyone should know about? We want to share it. Send your news and events to info@marketingconcepts.co.za

We hope you enjoy all that Sandton Central has on offer this month and look forward to seeing you in our city.
